

NEW ENGLAND BAPTIST COLLEGE

- 1st time students include freshmen and transfer students.
- Room and board and fees still apply.
- Local students living at home pay no tuition or room and board-on the normal fees.
- There are no strings attached. Students who are enrolled in the One Year Bible Certificate or those who choose to continue their education elsewhere suffer no penalty.

Advantages to students receiving free tuition for their freshman year

- 
- Students can enroll with no money down.
 - Costs, including fees, will be divided equally over four payments beginning on the 15th of September and each month thereafter.
 - This plan will provide students time to adjust to college studies.
 - Substantial debt will not occur which could lead to discouragement.
 - It will provide time for students to learn how to handle their finances.
 - It will provide time for students to get a job and begin saving for the next year.

Note: After the first year returning students should be prepared to pay the regular tuition.
